

VALTRA

SERVICE AND EXTENDED WARRANTY

VALTRA PREMIUM CARE
CUSTOM MADE SUPPORT

**YOUR
WORKING
MACHINE**

Customise your service support with PREMIUMCARE for Valtra.

Talk to your dealer today to discuss which service plan or service and extended warranty package is right for your machine.

Value you would expect from Valtra

- Fix your costs at the point of purchase - your dealer can provide a detailed quotation using the 'Service Calculator'
- Benefit from convenient payment options
- Genuine parts fit seamlessly and provide a cost effective solution over the lifetime of the machine
- Realise maximum residual value for your machine
- Extended warranty solutions have no excess charge per repair*

Flexible

- Customised service plans available for both new and used machines up to 10,000 hours
- Service plans with extended warranty available up to 5 years or 6,000 hours*
- Extended warranty available up to 12 months from registration*

- Experienced, Valtra trained technicians available for on-site servicing

A professional service to Valtra standards

- Dealers invest heavily in special tools, service vans, technicians and hundreds of hours of training to give you first class support and right first time repairs
- Machines following manufacturer defined service plans have maximum productivity and efficiency by ensuring all software updates and calibrations are made, and systems are fault and condition checked on a regular basis

*Subject to conditions. Participating markets & models only.
