

MASSEY FERGUSON

SEAT COVERS & FLOOR MATS

2017

Seat covers & floor mats

We are delighted to present to you the current models of our seat covers and floor mats for Massey Ferguson machinery in this brochure!

Your local Massey Ferguson dealer can provide you with tailor-made seat covers and floor mats for almost any Massey Ferguson machine.

For price-conscious customers we offer a universal seat cover – new in the range – that you simply pull over the seat. It can be used universally and is fitted in just one movement with no need to remove the seat cushions from the seat.

Inside you will find photographs of all the seat covers that we offer, plus an application table for floor mats, helping you to select the products that you need.

Massey Ferguson seat covers and floor mats are available from your local Massey Ferguson dealer.

Protective covers for Massey Ferguson seats

Our seat covers

Standard seat cover for all seats without seat climate control

Two different fabric qualities have been combined here. The different colouration gives the seat covers a sporty look. The headrest features a high-quality stitched Massey Ferguson logo.

Leatherette seat cover

Leatherette is both tough and easy to clean. Simply wipe with a damp cloth! The headrest features a high-quality stitched logo.

Seat cover for all “evolution active” seats – seats with seat climate control

Similar in design to the standard seat cover, however it incorporates the special breathe-active material for the seat and backrest to accommodate the seat climate control of “evolution active” seats. The headrest features a high-quality stitched logo.

Alcantara seat covers

Alcantara seat covers offer your seats extra elegance. The high-quality leather appearance and gorgeous feel are perfect for those who enjoy a touch of luxury.

Universal seat cover

For fast protection of the entire seat. Simply pull it over the seat and headrest. With stylish MF stitching in white at headrest height.

Material: 100% hard-wearing polyester mixture; machine-washable at 40°C.

Colour: red

Our floor mats

The floor area in a tractor or combine harvester is worth protecting. All Massey Ferguson floor mats are tailor-made to fit the floor area of the cabs perfectly.

The stylish Massey Ferguson logo adds the smart Massey Ferguson look to the high-quality material.

For the most common cab types we offer floor mats in both velour and rubber, and all Massey Ferguson floor mats are easy to clean with a pressure washer.

Velour floor mat

The tough needle-punched fabric protects the floor of the cab and adds a touch of cosiness.

“Deluxe” floor mat

“Deluxe” floor mats are manufactured from high-quality tufted velour. These floor mats also give an air of luxury with their precision tailoring. Edges are bound with full black fabric trim.

Rubber floor mat

The floor mat for uncompromising protection of the cab floor.

Our workshop protective covers

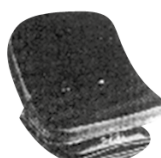

For particularly messy work we offer a range of protective covers to help protect the cleanliness of your cab

Tailor-made seat covers for Massey Ferguson tractors
