3 FENDT ROADSTER WITH BACK PEDAL BRAKE

The TRACK BF1 FENDT with roll bar is brilliantly equipped! With studded tyres, floating axle, exhaust, spherical head steering, front spoiler and 6 seating positions, it is equal to its bigger role models in terms of efficiency and reliability. Its deployment, with the roll bar as standard, is always safe even in rough terrain. Thanks to the integrated trailer hitch, you are well equipped for any work in the field. Apart from the modern design, the go-kart also has the latest BF1 free-wheel. The BF1 prevents the pedals from turning when driving forward. The driver can therefore stop pedalling while moving forward. This minimises the risk of injury. To reverse the go-kart, you intuitively break with the pedals or the handbrake until it stops. Then the pedals are turned backwards. The reverse gear engages automatically. Pure driving fun! Dimensions: L 150 x W 86 x D 80 cm. Weight: 50 kg. Bears loads up to 100 kg. **£ 614.40**
